

Week 16 Synonyms – Learn first and then take test

1. Please learn the word and its synonym.
2. If you did not know either one of the words, please highlight it on the sheet or write it in your vocabulary book.
3. Make sure that you read the example sentence if you did not already know the word.
4. You should take the test soon after learning.
5. You should repeat the test a few days later.

Note:

Learning new words is not always the most exciting process.

However, a good grasp of vocabulary is essential to every part of the English section.

Top Tip:

Can you find a way to make this really fun! Let us know how you do it!
